

Working together to support

PETER POND RINK

THE HEART OF OUR COMMUNITY

August 26, 2024

I hope this letter finds you well. I am writing to you on behalf of the Peter Pond Community Rink, a cherished local facility that has been a cornerstone for recreation and community bonding for many years. **We are currently organizing a silent auction fundraiser to support much-needed maintenance and upgrades to the rink, ensuring it remains accessible and enjoyable for all local families.**

The Peter Pond Community Rink is more than just an ice surface; it is a place where friendships are forged, skills are developed, and families come together to create lasting memories. However, to continue providing these invaluable experiences, the rink requires significant improvements. From repairing the boards to upgrading the rink surface and safety features, these enhancements are essential to keep the rink operational and safe for everyone.

We are seeking donations for our upcoming silent auction, and your support would make a substantial impact. By contributing an item or service for auction, you will be directly helping us achieve our goal of raising the necessary funds for these critical upgrades. Your generosity will not only support the rink but also demonstrate your commitment to the well-being of our community.

In recognition of your donation, your business will be prominently featured in our social media. **This is an excellent opportunity to showcase your support for the community while gaining visibility among local residents who value and appreciate your contribution.**

We would be delighted to discuss any potential donation you might consider and how we can best acknowledge your generosity. Please feel free to contact me directly to arrange the details or if you have any questions.

Thank you for considering our request and for your continued support of the Peter Pond Community Rink. Together, we can ensure that this beloved facility continues to serve as a vibrant hub for recreation and community engagement for years to come.

Warmest regards,

Peter Pond Recreational Association
